

CITY OF OWEN
Clark County, Wisconsin

“Small town charm with a friendly atmosphere”

The City of Owen was founded by the lumber baron, John S. Owen, in 1883, and was incorporated in 1904. One of the most historical buildings remaining in our community is the Old Woodland Hotel on Main Street built by the Owen Lumber Company in the early 1900s. The historical Carriage House, along with the gymnasium, are being refurbished.

In Owen, one might enjoy a nature walk in the majestic forests along the Popple River, a picnic at the Owen Park watching the colorful ducks watching the sunset from the High Bridge or camp at Crowley Park. Owen offers a paved bike trail that leads to the village of Withee for the dedicated roller-bladers, bike riders and walkers. Winter offers fantastic ski and snowmobile trails and sledding down Tennis Shoe Hill. Hunters and

fisherman will benefit from the woodlands and many lakes and streams in the area. For the avid golfer, Owen boasts a beautiful nine-hole golf course to challenge your talents. Owen may be a small town in size, but offers large opportunities. This community also has a friendly atmosphere, where there are no strangers, only smiles and genuine concern for each other.

Owen welcomes visitors and new residents, come see what's going on in Owen!

The City of Owen is located on Highway 29 in the heart of central Wisconsin. We love our quality of life and there are so many outdoor things to do. Golfing, camping, fishing and much more!
