BUSINESS TO BUSINESS EXPO & CAREER FAIR

Mark your calendars for April 30, 2025. The event will again be hosted by CCEDC & TB at Clark Electric Cooperative Headquarters in Greenwood, WI. All businesses from our county/communities are invited. This B2B Expo portion - is a terrific way to meet your neighbors that are right here, that you may be able to partner with or learn about. We also bring in all the local/state/federal folks that have access to programs that can assist your business. Make great connections – do not miss this event. Call or email us to get your space! Registration and sponsorship are happening right now!!

company's local talent pipeline by connecting them with students, their parents, and educators at local/regional levels to inform them about each company, industry, and careers we have right here. We are delighted to announce that several students went into careers because of the contact at the event!

MOMENTUM WEST 2024 AWARDS

Top Developmental Projects of the Year
Momentum West has honored Loos Machine and Automation, Colby, with the 2024 Top Development Project of the Year Award for its outstanding achievement in constructing a new state-of-the-art plant. The facility replaces the old, vacant PCA building and houses advanced manufacturing equipment and technologies, enhancing innovation, product efficiency, and quality. Loos employs over 45 engineers and continues to grow.

Regional Impact Award
The West Central Wisconsin Broadband Alliance is a collaboration of business, educational, governmental, non-profit, and citizens partners who meet regularly to advocate for broadband expansion and adoption. In 2020, joint meetings began with Momentum West Broadband Committee, further strengthening the partnership.
